EXPERIENCE

AVANADE

November 2021 - November 2022

Sao Paulo, Brazil

Junior Front-End Developer

Performed with the team to create and maintain the website by applying the technologies: Angular, JavaScript/ES6, TypeScript, HTML5, CSS/SCSS, and NodeJS.

Deployed applications using Azure DevOps and developed and maintained unit tests using Jest.

Worked with the design team to optimize the user experience and followed SEO Best Practices.

AVANADE

March 2021 - November 2021

Sao Paulo, Brazil

Front-End Developer Intern

Assisted lead developers in maintaining and developing responsive web pages for the client by applying the technologies: Angular, JavaScript/ES6, TypeScript, HTML5, CSS/SCSS, and NodeJS.

Worked with Back-end developers and designers to implement web pages.

Debugged and tested code to ensure the website had an excellent performance.

MANUIA SPA

August 2019 - January 2020

Mogi das Cruzes, Brazil

Receptionist

Managed spa appointments precisely and efficiently, ensuring an organized and punctual booking system.

Committed to creating memorable experiences for spa guests, offering a warm greeting upon entry, providing facility tours, and efficiently handling cashier duties for guest payments.

Maintained a high standard of customer service to enhance the overall spa experience for guests.

SKILLS
